NEW MEMBERSHIP APPLICATION

One of our Members has told me of your interest in Buicks and the Gopher State Chapter of the Buick Club of America.

The Gopher State Chapter of the Buick Club of America was founded in 1976 by 20 people who wanted to preserve and restore Buicks. We meet with members and their families to discuss, volunteer, educate and encourage each other for this purpose. It is not necessary to own a Buick to be a member of our club, but it is a good way to cultivate a continued interest in the preservation and restoration of these fine automobiles.

Our chapter meets the second Tuesday of each month at 7:30 pm. Because of recent times please call the HOTLINE at 651-770-8096 for current location and other updates.
Our fiscal year runs July 1 through June 30. Dues are $20.00 per family, per fiscal year.

If you join you will receive a card, name tag, annual club roster and *The Porthole,* a monthly publication that is sent by the first week of the month. It's filled with club business, activities, ads, photos, events calendar, and keeps all members well informed. All ads are free for all members. All meetings consist of board members' reports, old business, new business, and a car talk segment. This brings our Buick family together to participate, volunteer, answer questions and to give and receive advice on car-related topics and activities. Interested in Buick merchandise? We have it or can order it for you.

Membership in the national Buick Club of America (BCA) is required to join the Gopher State Chapter and also every time you renew. If you are already a national member, just write in your BCA number on the back of this sheet. If not, please follow the directions on the back. Your national membership starts at the time they receive your application, process it and assign your BCA number. When you receive your first Buick Bugle, your BCA number and annual due date are first on your mailing label. You will receive a bill by mail, just before your annual national membership expires. *The Buick Bugle* Magazine is our best way to stay informed, educated and has access to what's going on at the National Headquarters and in our worldwide Buick world. Free ads are allowed for Buick-related items for members only. Being a member of BCA also has other benefits, as listed on their web site.

TURN OVER AND FILL OUT THE BACK SIDE COMPLETELY.
