

FIRST YEAR OF GOPHER STATE BUICK CLUB MEMBERSHIP INVITATION

Dear Buick enthusiast,

We appreciate your interest in Buicks and we would like to invite you to join the Gopher State Chapter of the Buick Club of America.

The Gopher State Chapter of the Buick Club of America was founded in 1976 by 20 people who wanted to preserve, restore, and enjoy Buicks. You do not need to own a Buick or live in Minnesota to be a club member.

Our chapter meets monthly to talk about what is happening in the club, upcoming events, Buicks and other cars, and car projects of members. The meetings are the second Tuesday of each month (except January) at 7:30pm at the Boy Scouts of America base camp at Fort Snelling, 6202 Bloomington Road. We also have special dinners, outings, and tours and we are responsible for the Spring Extravaganza Car Show and swap meet, held on the first Sunday in May at the MN State Fairgrounds.

The Gopher State Buick membership fiscal year is July 1st through June 30th and dues are \$20 per family per year **and the first fiscal year or remaining portion of the first fiscal year is free.**

Join and you will receive our award-winning monthly newsletter, club roster, membership card and name badge.

The Porthole Newsletter is sent the beginning of each month by email and filled with club business, activities, ads, photos, calendar of events and keeps members well informed. You can also list cars and automotive items for sale or wanted in the Porthole for free.

Membership in the National Buick Club of America (BCA) is Required to be a member of the Gopher State Chapter (GSC). If you are already a national member, just write in your BCA number and renewal date on the Gopher State Chapter membership application as you fill it out. If you are not yet a National Member, please fill the National Buick Club application which can be done online or on paper and mailed to the National office, or on paper and mailed to us with your Gopher State Chapter application.

National membership is \$50 until June 31st 2026 and will be \$55 on July 1st 2026. You can save money on the membership if you receive the *Buick Bugle* by email. When you join the National Buick Club of America you will receive their monthly newsletter, *The Buick Bugle*, which is filled with National news, articles, upcoming events, Buick cars and parts for sale and other information. You can post Buick related items for sale or wanted at no charge for members.
